Nursery School Programs

For your very young child, a gentle, play based start to their larger world without you beside them. Our caring staff work to make the transition from home/parent/caregiver to a small group setting a positive experience your child can always draw on.

Child to teacher ratio 6/1

Accompanied Music each day

Goals: Independence, socialization, relationship building, fine and gross motor development.

Very young children will begin the building blocks for early literacy skills.

Choose 2, 3 or 5 morning options

Step Up Program Pre Kindergarten

This program is for your child who has already attended Nursery School, or who is older and ready for a Kindergarten prep program.

Ask our teachers about Literacy Awareness:

Print Awareness

Print Motivation

Letter Knowledge

Vocabulary

Phonological Awareness

Problem Solving

Physical Health and Well Being

These skills will ensure your child is ready for their Kindergarten experience.
