

Mrs. Park's Winter News 2015

TODDLERS ARE COMING TO MRS. PARK'S

We are happy to announce that we will be accepting referrals for children 18 to 30 months for our class to begin in September 2015. We are renovating a classroom and look forward to the little ones starting. Program days will be Tuesday and Thursday mornings. The program will focus on a language-rich environment through **music, dramatic play, sensory and art activities, cognitive and manipulative play and physical activity to name some of the fun that** will be had!

We offer a family discount for more than one child attending a program at Mrs. Park's

KINDERGARTEN PROGRAMS & PRE KINDERGARTEN

At Mrs. Park's we believe that children deserve the best foundation for their academic career and to us that means smaller class sizes and attention to individual learning styles to get children going on successful paths. Remember that we offer a variety of kindergarten programs from five half days to two afternoon enrichment classes. Please speak to me if you want information about any of our programs.

HEALTH AND WELLNESS

We are in the midst of the cold/flu season and we thank you for sending only healthy children to school. Our normal practice of keeping all of our equipment clean helps to prevent the spread of germs. Hand-washing is key. Thank you for having your child wash their hands before they enter the classroom.

SPECIAL GUEST

We have a Dad who is a pilot and he is coming to speak to the children about what he does. The date is **Tuesday, February 24th at 10:00**. If this is a day your child does not normally attend you are welcome to bring and stay with them to hear the presentation. We have lots of "stage seating" for parents. It will be about a half hour long.

WEATHER CONDITIONS

Our policy is that if TDSB is open so are we. There will be a message on our phone line (416) 424-2135 if we are closed and you can also check the TDSB website; www.tdsb.on.ca.
